Minutes were passed out and reviewed by all members. Carter Batterson moved to approve the minutes from January meeting as stood, it was seconded by Mia Gibson. Minutes passed.

Treasurers Report was given by Carter Batterson. He reported we have \$3,836.29 currently. We have an outstanding bill to Molly's Custom Buckles for National Show buckles to be paid. We will also have upcoming bills for the Field day show and awards, and more awards for National show. Report was moved to be approved by Carson Finch and seconded by Emma Ahrendsen.

Old Business

We revisited our requirements for the Herd in a Tank fundraiser. A motion was made by Mia Gibson to have the requirement of being present to win lifted. Now the winner is allowed to have a representative or other arrangements to get their tank. The motion was seconded by Carson Finch. Motion passed. We also set the date of July 1, to have your donations at least lined up so we can start advertising.

The nail board design was presented by Ty Lillibridge and discussed. It was decided that we will auction off the board after all of the prizes are won.

New Business

Summer/Spring Show

Our summer show will be the first weekend of June, and we will be with the Simmentals and their summer show. More details to come. We will be sending out an email late April first of May to get an estimated headcount of entries to make sure we will have plenty coming to justify the expenses.

National Show

The JRAA national show is coming to the Iowa State Fair. The IJRAA is in charge of awards for the Junior show. An award committee was formed and includes Emma and Megan Ahrendsen, Chase Pladsen, Carson Finch, Ty and Tess Lillibridge, and Camiel Blomme. If you have any good ideas for awards please contact anyone on that committee or Dana. This committee will be having a conference call soon to discuss ideas and budgets.

At the show the IJRAA will be hosting an ice cream social on Friday, August 18. This will be our state association's mixer for all juniors. Please watch for more information about this event.

Motion was made by Carson Finch to adjourn the meeting. Motion was seconded by Carter Batterson motion carried.

Next meeting will be held at the Summer Show.
