Attendees: Mark Finch , Tim Johnson, Cassie Johnson, Steve Pladsen, Nathan Rogers, Christian Rich and Kevin Tlach.

Mark Finch began the board meeting immediately following the conclusion of the membership meeting.

Discussion about who pays for the Iowa Beef Expo Junior belt buckles was made and decided that the cost be split 50/50. The junior association will pay for half and the adult board will pay for the other half.

Tim Johnson made the motion.

Steve Pladsen second.

Motion passed.

There will be a show at the Iowa Beef Expo sale and Ruble will be managing the sale again this year. Mark Finch was going to ask for Ruble to use Jane Adolph to design the sale catalog.

Tim Johnson is going to be putting calls into Red Angus sale managers and asking them to place a bid for the National Sale. If the Iowa State Fair will allow for a sale the board will then decide who the bid will go to.

The board discussed the problem of show morning with no coffee and donuts being served. Kevin Tlach said his father Ed Tlach volunteered to be in charge of the coffee and donuts next year.

Jen Gardner came in during the meeting to ask for her reimbursement from the Jr Association for \$9187.20. The board had written her a check for \$8926.60 and she wanted it to be recalculated because she was owed more. Steve Pladsen refigured the amount with her and the final amount of reimbursement was \$8702.20.

After Jen Gardner left discussion was made about quality of job the junior advisor had been doing.

Tim Johnson moved to have Jen Gardner replaced by Dana Batterson as Junior Advisor.

Cassie Johnson second. It was a unanimous vote that Jen Gardner would no longer be junior advisor and Dana Batterson would be the new advisor.

Tim Johnson moved to adjourn the meeting.

Steve Pladsen second.
